

If you have more than one account in Schoology, you can link your accounts and toggle between them. By keeping both accounts, and linking them together, you can access all content from a single login. Before beginning, make sure you have access to the account names and passwords for the Schoology accounts you wish to link.

To Link an Account, follow these steps:

1. Determine your preferred primary Schoology account (you will be using this account to login to Schoology). If you have a student.dodea.edu account, this should be your primary account as the single sign-on features make it easier to login. To begin, select the down-arrow located next to your name in the upper right of the page of the primary account.

2. Click Account Settings in the dropdown menu.

3. Scroll to the bottom of the Account Settings page and click the Link Accounts button.

Select a primary email address for all linked accounts

5. Verify that your added account is in the list, you can access your new account in the dropdown menu next to your name.

The screenshot shows the Schoology interface. On the left, there is a 'Share Your Schoology Calendar' section with an iCal link and a 'Link Account' section. The 'Link Account' section shows a list of accounts, with 'Jonathan Barkand' highlighted by a red box. On the right, a dropdown menu is open, showing a list of accounts, with 'Jonathan Barkand DoDEA (Department of Defense Educatio...)' highlighted by a red box.

Select a Primary email address for linked accounts

A list of your primary account and linked account(s) will appear in the Link Account area upon completion. If you have multiple primary email addresses for these accounts, enable the feature to Select a primary email address. This feature also allows email notifications for each linked account to go to the primary email address listed in this area.

Link Account

The screenshot shows the 'Link Account' section. It features a 'Link Accounts' button and a list of accounts. The first two accounts are 'Jonathan Barkand' with a user icon and a pencil icon, respectively. The third account is 'Jonathan Barkand (Current Account)' with a user icon. Below the list, there is a checkbox labeled 'Select a primary email address for all linked accounts' which is checked. A dropdown menu below the checkbox shows the email address 'jonathan.barkand@am.dodea.edu'.
