

Your profile image can be customized through uploading an image from your computer or selecting Schoology created avatars. Uploaded images should be school appropriate and will be seen by all users. You can change your profile picture by going through the steps below.

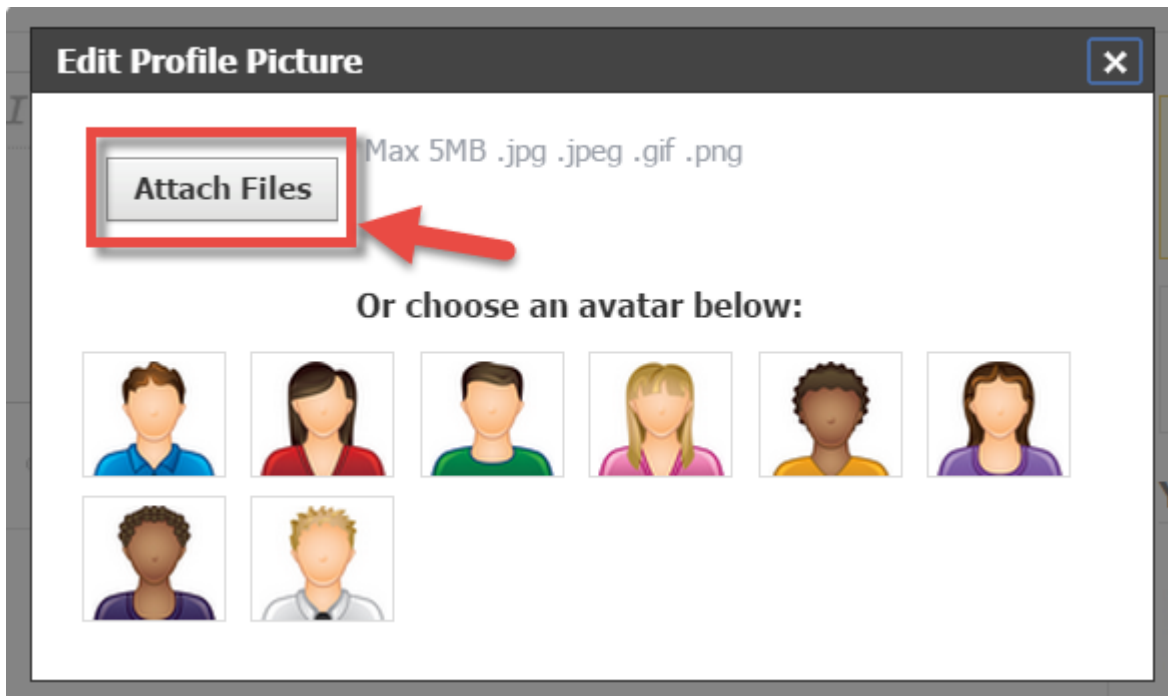

1. Login to Schoology and click your Name in the top right.

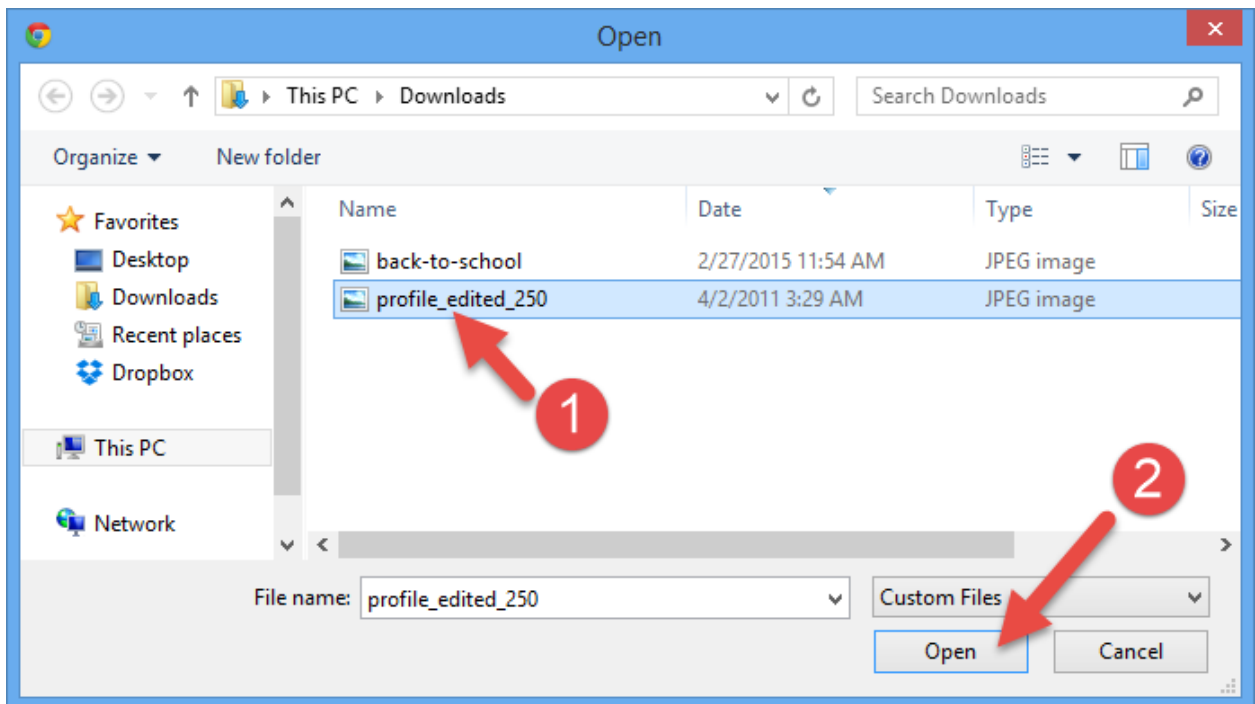

2. Hover over the default image on the left and click "Edit Picture".

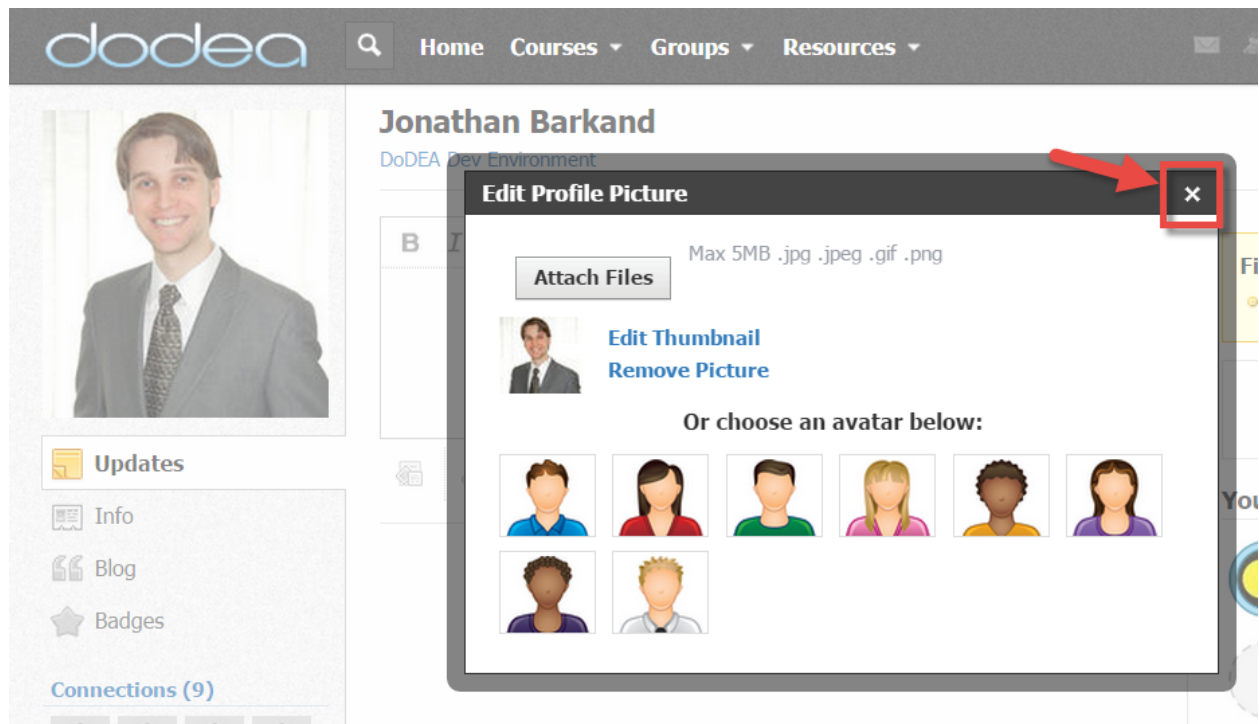

3. You can choose a Schoology avatar, or click “Attach Files” to upload your own picture.

4. Select the image on your computer ( JPG, JPEG, GIF, PNG) and click Open

5. Your image will be instantly added to your profile, click the “X” to close the window.

### Edit Thumbnail:

Your thumbnail image is what will show next to your updates and discussion board posts, if it isn't the right size or is cutting off part of your image you can edit it. Use the resize box to create your thumbnail and click Crop. Your main image will stay the same, this only affects your thumbnail.
