

Purpose: This tutorial provides instructions for DoDEA educators to login to the DoDEA eLearning Portal, sign into Schoology, and access a variety of training resources including the Schoology Orientation.

As you follow the steps below, you will:

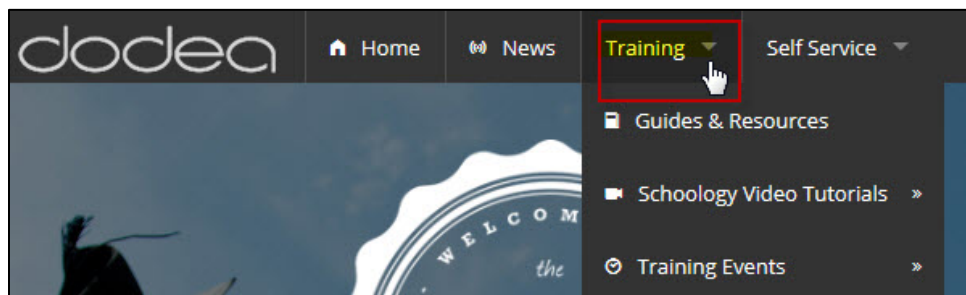

- Sign into the DoDEA eLearning Portal using your DoDEA issued Google account where you can access Schoology and a variety of training resources.
- Login to Schoology from the DoDEA eLearning Portal.
- Access the Schoology Orientation course.

Now, please complete the steps below to access the DoDEA eLearning Portal, and sign into Schoology where you can begin exploring the Schoology Orientation.

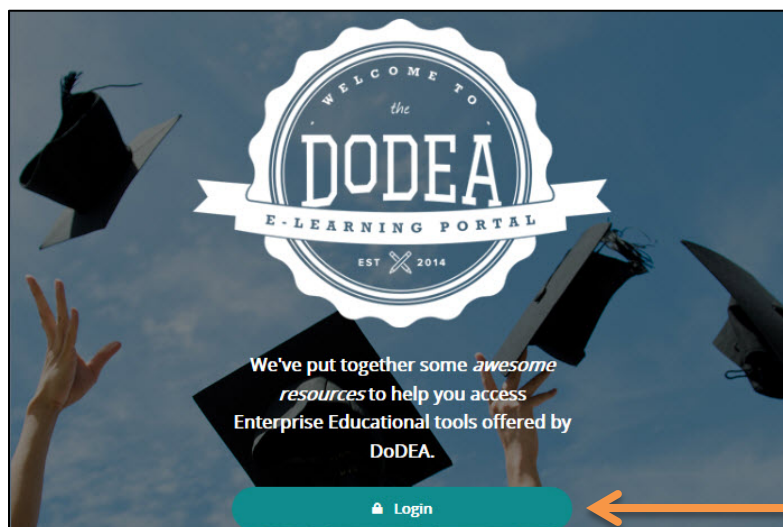

1

Sign into the DoDEA eLearning Portal

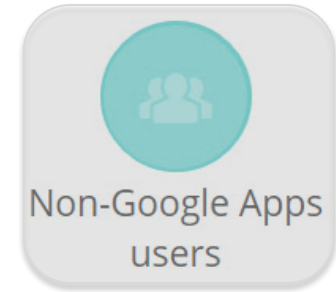

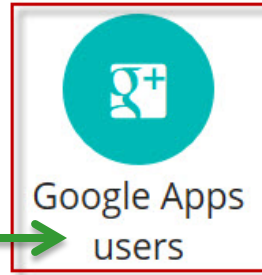

Click the link, <https://learn.dodea.edu/> to access the DoDEA eLearning Portal. In the top navigation menu, under Training, you have access to a variety of information about Schoology such as guides, resources, and videos.

To sign into the **DoDEA eLearning Portal**, click **Login** in the center of the screen.

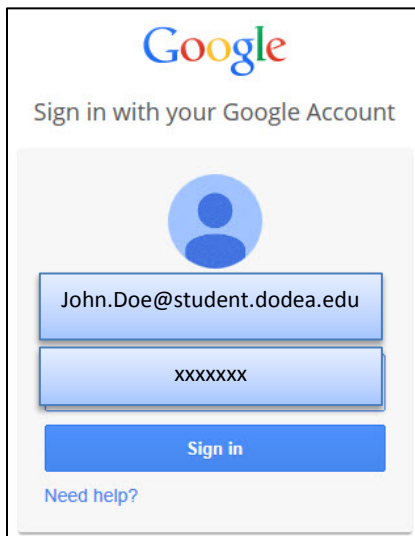

Click **“Google Apps users”** if you have been issued a DoDEA Google Apps for Education account. School-level personnel will choose this option since all teachers have a DoDEA Google account. If you do not know your DoDEA Google account, please contact your school's **Education Technologist**.

Next, click the icon.

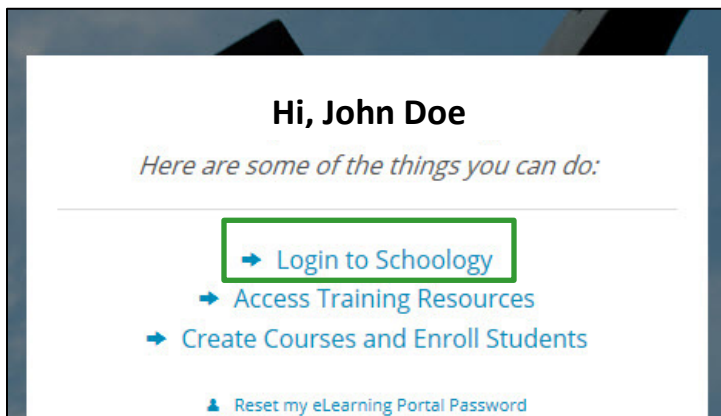

Now, sign in with your **DoDEA issued Google credentials**.

2

Login to Schoology

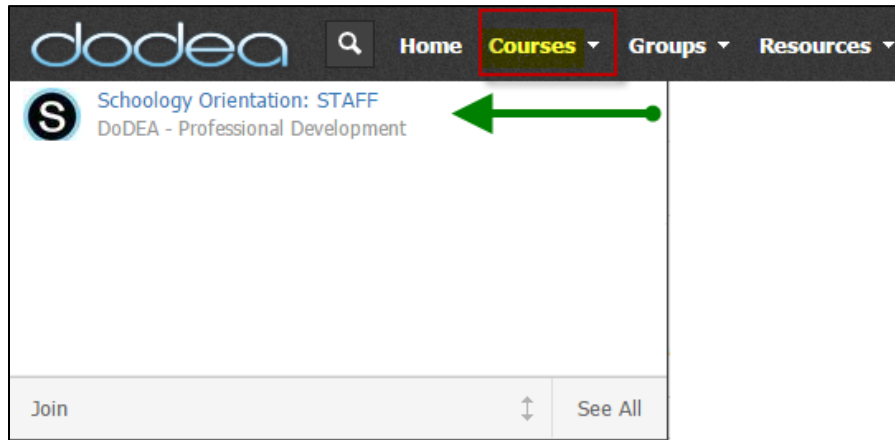

Once you have signed into the DoDEA eLearning Portal, you now can access Schoology and a variety of Training resources. To access Schoology, click **“Login to Schoology.”**

3

Access the Schoology Orientation Course

Once in Schoology, you can now access the course, Schoology Orientation. Click **Courses** in the navigation menu at the top. Then click **Schoology Orientation**.

Now, begin exploring the Schoology Orientation where you will learn how to use Schoology!
